WARRANTY OBLIGATIONS

Everyday home and office life imposes strict requirements on furniture. Our ergonomic chairs have been tested for compliance with the highest European standards and the requirements of continuous use EN 1335-1 "Office furniture. Office work chair. Dimensions. Determination of dimensions" and EN 1335-2 "Office furniture. Office work chair. Safety requirements", which is confirmed by the certificate of conformity of the Swiss independent organization Swiss Approval Technische Bewertung S.A. Therefore, we offer free of charge 2 year warranty for movable elements of ergonomic chairs and their components in accordance with warranty certificate provided in this booklet in countries where service control is not available at the moment of the purchase (see more at www.ergolife.pro).

The free warranty period is 2 years.

The period starts from the date of purchase and is valid for 2 years. A Proof of purchase of a product is a document confirming its purchase.

Components covered by the free 2-year warranty:

The warranty is applicable in cases of detection of material defects or manufacturing defects in the following components:

- **Carrying frame**
The carrying frame is the steel frames of the backs, seats, armrests.
- **Movable elements**
Movable elements - components that are responsible for moving functions and regulations: mechanism for adjusting the tilt (swing) of backrest, gas lift, rollers, mechanism for adjusting the armrests.
- **Five star base warranty**
- **Warranty for upholstery materials**
In case of damage to the upholstery material, the entire component (for example, the backrest, seat, or an armrest) must be replaced.

To solve the problem, the Company, after evaluating the product, will decide whether the warranty conditions apply to it. Product's defects can be eliminated, or it can be replaced with the same or similar product.

If the Company is responsible for warranty repairs, the Company undertakes to reimburse the costs of repairs, spare parts, working hours and rides of the Company's working staff, provided that access to the goods for repair purposes does not involve additional expenses. These warranty conditions do not apply if non-certified employees of the Company or its authorized specialists perform the repair work, or if there are traces of attempts at non-qualified repairs. Any defective part replaced during a repair remains the property of the Company. If the product is out of stock, the Company will offer a suitable replacement or refund the cost of the defective product.
